Teacher Created Materials, Inc, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Natural resources, renewable resources, and nonrenewable resources are types of resources that we rely on every day. However, some of these resources are being overused and may run out if we aren t careful. Discover the impact you can have on Earth and the wonderful resources it has to offer by reading through the pages of this book. Vibrant, colorful images and photographs fill the pages paired with high-interest informational text, fun facts, an easy-to-navigate table of contents, and a helpful glossary and index. To bring concepts to life, a Think Like a Scientist activity that supports STEM instruction is included at the end of the book.
