YOUNG GOODMAN BROWN AND OTHER SHORT STORIES (PAPERBACK)

Dover Publications Inc., United States, 1992. Paperback. Condition: New. New edition. Language: English . Brand New Book. Throughout his richly varied literary career, Nathaniel Hawthorne (1804-1864) wrote compelling short stories of enduring appeal. His first important publication, long before *The Scarlet Letter*, was the 1837 collection *Twice-Told Tales*, which brought the New England writer immediate fame and high praise from no less an authority than Edgar Allan Poe. Another compilation, *Mosses from an Old Manse*, followed in 1846 and achieved further success. This volume contains six stories from those collections as well as another superb selection, *My Kinsman, Major Molineux*. In addition to the latter tale and the title story, this edition includes *Dr. Heidegger's Experiment*, *The Birthmark*, *Rappaccini's Daughter*, *Roger Malvin's Burial* and *The Artist of the Beautiful*. Here are tales rich in atmosphere and suspense, with plots centering on subjects as diverse as witchcraft, revenge, the power of guilt, and a passion for the beautiful, all recounted in the distinctive voice of one of America's great writers.
