Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

iUniverse, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many were the hard Western men who blazed the trails. We have all heard their stories. We even believed a few. Few still were the women on those western slopes. Their stories might have some merit. But both factions, men who would lie and did, women who were few and quiet, agreed campfire to campfire, Lema did not pack water for any man.
