Known as the Queen City of the Ozarks, Springfield was founded in 1829 and became the seat of Greene County in 1835. Beginning in 1870, Springfield served as a railroad hub that connected the Ozarks culturally and financially to Kansas City, St. Louis, Chicago, and points along the East Coast. In 1938, Route 66 became part of the city s history when the legendary highway came through the public square on College Street. Built on land donated by Springfield founder John Polk Campbell, the square continues to be a vital part of the city s culture and economy. Postcard History Series: Springfield illustrates the community s growth from downtown businesses to the spread of schools, hospitals, and parks across the city.
