Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Bronze Buddha: A Mystery A palm of enormous height stands in a maze of pampas grass. A great vulture hovers half way down the trunk. At its base a tiger lolls lazily beside his dead prey, - a negro mutilated and bleeding sprawled in the tiger s paws. The hot sand reflects a brassy yellow light. The atmosphere seems choking with intense heat. Such was the wonderful picture of the great Russian painter before which I stood silent and motionless. It thrilled and fascinated me. I had come upon it suddenly as I turned a corner, and its tropic splendor, its human tragedy, its animal triumph and prophecy, touched me to the quick. As I still stood there absorbed in deep thought, a most peculiar voice, - a voice so distinct yet so low, that it would remind you of an echo in a whispering gallery, said gently in my very ear, - If this pleases you, what do you think of the bronze god who presides over such scenes? I turned with a start and saw a man whose face I hope you will never forget. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
