

Reimagining Restorative Justice: Agency and Accountability in the Criminal Process (Paperback)

Filesize: 1.2 MB

Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Salvador Lynch)

REIMAGINING RESTORATIVE JUSTICE: AGENCY AND ACCOUNTABILITY IN THE CRIMINAL PROCESS (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Restorative justice theory has largely failed to keep pace with the rapid expansion of restorative practices worldwide - indeed, it is remarkable how much support RJ has when so few advocates can even define what it is. As such, this insightful and comprehensive new contribution from two of the top scholars on the frontlines of restorative justice research is hugely welcome. Professor Shadd Maruna, Centre for Criminology and Criminal Justice, University of Manchester *Reimagining Restorative Justice* is a reflective and balanced reconsideration of restorative justice. It deftly sweeps across the large literature on the subject, putting it in perspective, seeing anew through its wide-angle lens. Empowerment and accountability provide a fertile framework for this richly reimagined justice. Professor John Braithwaite, Australian National University David O Mahony and Jonathan Doak have made a significant contribution to the confusing and over-complicated field of restorative justice theory. They do so through their use of empowerment theory to bring conceptual and operational clarity to the concepts of agency and accountability in restorative processes and outcomes. As a result they develop a convincing argument for face to face dialogue between victim and perpetrator within the core of the criminal justice system. Their emphasis upon ethical and skilful practice is a welcome riposte to the rapid spread of `restorative justice lite driven by managerialism and the need to cut costs. Tim Chapman, Lecturer at the University of Ulster. O Mahony and Doak convincingly argue that rapid developments in the practice of restorative interventions have outstripped restorative justice theory. They provide both an outstandingly helpful review of the literature and a fresh theoretical approach based on empowerment theory. Everyone seriously interested in restorative justice will want to reflect carefully on the authors...
