Brand New Book ***** Print on Demand *****.Religion to Relationship is the autobiographical testimony of a women destined for greatness while bound to a life of tradition in spiritual imprisonment. Using what little foundation of Christ which was laid in her life, the author sets out on a journey of experiences which were destined to bring her into a full and conscience relationship with her Lord and Savior, Jesus Christ. Witness her ups and her downs while struggling to hold on to the Hand of God as life spins her one way and around another way. She prevails but only through persistent prayer, wise counsel, and a love for God that blossomed her into a mature woman of God. I am a woman chasing after the heart of God. I am so grateful that the Lord allowed me to be tested, knowing that all things work together for my good. My desire is to continue to grow deeper and closer to the Lord, to learn to hear and obey His voice even more clearly and consistently. I desire to live a life that is completely in the center of God s will. I walk victoriously and confidently, knowing that my steps are ordered by the Lord.
