It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Johnston is so important? a winsome and accessible book? drawing from Jeremiah's considerable academic training. His analysis is unflinching, his approach is practical, and his writing is clear; a great combination! Mark Mittelberg Best-selling author of *The Questions Christians Hope No One Will Ask* and *Confident Faith* Executive Director, The Center for American Evangelism You cannot Google the answers to the probing questions in this book! People who investigate the Christian faith often stop short because they have searing questions that most believers simply cannot...
