Reviews

This book can be worthy of a read, and much better than other. It usually fails to charge a lot of. I realized this publication from my dad and i encouraged this pdf to understand.

Vitasta Publishing Pvt. Ltd., New Delhi, India, 2012. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. The banks of the Sindhu river, and the other northern river basins, were the theatre of the Mahabharata war and the cradle of the Indus Valley Civilisation. These are also the lands where languages and lyricism flourished. In this cultural meltingpot evolved many a religion and diverse cults, jogis and sufis, Sikhs and Shias. Girija Kumar's seminal work, 'Saraiki to Sufiana: The Indus People and the Liberal Hindu' deals with a mozaic of myths and migrations, thoughts and beliefs, cultural practices and castes, and brings to his readers a memorable work that leaves scope for further investigations into the roots of northern India's peoples and their poetry. It is a book of relevance to scholars of indology, history and sociology, and is of equal interest to the student of military history and mythology; it is a book for the subcontinent- watcher who want to know where India and Pakistan are coming from, and how their present reflect their past. Printed Pages: 375. Size: 15 x 23 Cm.
