Twelve Steps to Inner Peace is an invitation to a magical journey in creating miracles in your life by living consciously and making conscious agreements towards life. The world does not begin from outside you; the world begins from YOU. You are the one who gives meaning to the messages received by your physical eyes, ears, nose, taste buds, and the tactile senses of your skin. You create the world through your senses absolutely. The meaning for everything is the meaning you give it. You are the master of your creation. It is in your power to see it the way you want it. Nothing outside you has the power to hurt, damage, or destroy you in any way. If you perceive something as not good then go inside and create it better. In order to change the picture outside, go within and change the perceiver on the inside. WAKE UP! EMPOWER YOUR LIFE! This item ships from La Vergne, TN. Paperback.
