

Adopting a Child with a Trauma and Attachment Disruption History: A Practical Guide

Filesize: 1.81 MB

Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Mrs. Bridgette Rau MD)

ADOPTING A CHILD WITH A TRAUMA AND ATTACHMENT DISRUPTION HISTORY: A PRACTICAL GUIDE

[DOWNLOAD](#)

Loving Healing Press, United States, 2011. Paperback. Book Condition: New. 239 x 165 mm. Language: English . Brand New Book ***** Print on Demand *****. If you have the love in your heart and the courage to adopt a child from a traumatized background, then you must have this book. -- Robert Rich, PhD, This booklet is a fact-filled resource for adoptive parents who have a child with trauma and attachment disruption experiences. Fraser provides tips and strategies that can be considered before placement as well as days, weeks, and months after your child joins your family. It addresses the day-to-day issues that new parents often get stuck on and provides info on the Four S s parenting plan that she shares with families (safety, structure, supervision and support). Readers will: Understand how kids with trauma and attachment disruptions first require emotional safety Learn how providing structure will help your child connect with your family Discover the importance of providing engaging supervision Affirm that adoptive parents need support and learn how to help Therapists Acclaim for Adopting a Child with Trauma. The subtitle of this little book is apt: it is a practical guide. If you are considering adopting, read it first. It may well put you off, but that s better than taking in an already troubled child, only to pass the load on to someone else, causing another experience of rejection and loss for the child. --Robert Rich, PhD. Anyone adopting a child with a history of trauma will find this in work a wealth of practical advice. Its very shortness is a virtue when parenting is already so demanding. Effective parenting, including adoptive parenting, comes out of knowledge and understanding as well as love. Theresa Fraser cuts to the chase with just what you need to know...
