Filesize: 9.13 MB

Reviews

Unquestionably, this is the greatest operate by any article writer. I could comprehend everything out of this written ebook. Your way of life span will be transform as soon as you total reading this book.
(Andy Erdman)

HIGHWAYS AND HEDGES: OR, FIFTY YEARS OF WESTERN METHODISM (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Highways and Hedges: Or, Fifty Years of Western Methodism The time was when the publication of a book was a notable event, and only men of great ability were expected to become authors. Now, however, the facilities for book-making are so multiplied, and the popular taste for reading so developed, that the annual crop of books is looked for with as much regularity as the crop of corn. But as in agriculture, so in book-making, the fondest hopes are sometimes cut short by an untimely frost. It has been said by some one that an author, like a fat man in a crowd, must elbow others out of the way to make room for himself. Not being a fat man, and now within four years of four-score, I can not jostle much with others in the crowd. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
