Rafter-Four Designs, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This second volume of the Rugmaker s Handbook series is designed to teach textile explorers of all skill levels to make practical, durable rugs on simple frames using very basic tools. If you have ever wished for a loom to weave rugs, this book will help cure your loom envy with over forty techniques to create rugs with patterns and textures that just can t be reproduced on a loom. Various types of frames are explained including: high-low, flat, pegged, fifth stick, pinned and scroll frames. Unique warping methods allow the creation of rugs with four finished sides, even in freeform shapes. The book is divided into tensioning and non-tensioning methods and techniques worked horizontally and vertically on the warp strands. Learn such oddities as the twisted warp techniques, spider web warp and the cheater s warp. This is not a craft book, but rather a reference book and includes over forty techniques, most of which have never before been published.
