

Ethical Wills Putting Your Values on Paper, 2nd Edition

By Barry K. Baines

Da Capo Press. Paperback. Book Condition: New. Paperback. 217 pages. Dimensions: 8.0in. x 5.5in. x 0.9in. As evidenced in the Terri Schiavo case that made national headlines, having a living will is an essential element in ensuring that the way in which you would like to spend your last days will be respected. It informs both family and doctors of your medical treatment preferences in specific situations. An ethical will is a complementary text that communicates personal values, beliefs, blessings, and advice to relatives and to future generations. It can be more meaningful to friends and family than any material possession you could bequeath to them. Together, living and ethical wills ensure that your wishes and hopes are on the record, not to be lost, ignored, or forgotten. Offering practical and inspirational advice for people at any stage of life, Ethical and Living Wills includes: --Three recommended writing approaches to capturing our feelings for posterity --Expert information for understanding the legal and practical issues involved in documenting your medical care and treatment preferences in commonly occurring situations --Advice on when to distribute both ethical and living wills -- Tips to protect the legacy you leave in an ethical will-preparing and caring...

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Aliya Franecki**

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
