Cengage Advantage Books: Life-Span Development

By Laurence D. Steinberg, Deborah Lowe Vandell, Marc H. Bornstein

Cengage Learning, Inc, United States, 2010. Loose-leaf. Book Condition: New. International edition. 290 x 51 mm. Language: English . Brand New Book. The combined features that distinguish this text from other titles can be summarized with an acronym: CARE C utting edge research A pplied developmental science R eadability E ssential knowledge Written by respected child, adolescent, and adulthood development experts, this authoritative and chronologically organized text presents an integrated perspective on lifespan development. The authors write in an engaging manner, synthesizing biological, social, cultural, and socioeconomic influences as opposed to organizing content around developmental themes. Incorporation of classic and cutting-edge research includes extensive coverage of new research in developmental neuroscience, which has transformed the study of lifespan development by introducing brain maturation. At the same time, the text emphasizes the application of developmental psychology to real world problems, focusing on the ways in which knowledge of child development can inform social policy and practice in the fields of child care, education, mental health, and family life. The text also examines the many fascinating changes that take place through adulthood to help students answer the important question: Who will I become tomorrow? And with a separate epilogue that focuses on...
