CASCADE BOOKS, 2015. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. With candor, passion, and deep love for her work, Lucy Forster-Smith takes us across the threshold as a chaplain on a college campus. This vocational narrative braids the story of her faith journey that began on a porch when she was a four-year-old, was shaken by a sexual assault as a seminarian, and through healing and grace brought her to claim a call to ministry with students. With delightful humor and an infectious love for her work, Forster-Smith invites the reader into her world. Crossing Thresholds is a theological narrative, weaving together the story of faith in the context of the professional life of a college chaplain. Lighting on the power of spiritual awakening at a college, once named as the number one institution of higher education that ignored God on a regular basis, Forster-Smith jars loose the assumptions about the avowedly secular campus. Her journey of healing and grace illuminates and guides to cross the threshold of the campus s soul. Lucy Forster-Smith served for two decades as an exemplary college chaplain at Macalester, and she captures in this book the many rewards, challenges, and complexities of that work. Anyone who wants a window into the spiritual life on a modern college campus would benefit from reading Lucy s memoir. --Brian Rosenberg, author of Little Dorrit s Shadows Crossing Thresholds is an invitation to that place of authenticity where self, role, and meaning meet. Only rarely are we gifted by such access to the inside experience of a professional role--whatever the profession--in a manner that transcends artifice. Not only chaplains, but all who care about living faithfully in a complex world, will savor this intelligent, informing, story-filled, and evocative book that reminds...
