By Lincoln Fields

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. DIY Blacksmithing 10 Genius Blacksmith Projects For Beginners Isn t it pedestrian to have a house strewn with plastic decorations, fake steel fixtures, fasteners, hooks, brackets and rods that look like everyone else s? In this artificial world of decor designed for the masses, there is a grass-roots movement to have our homes reflect who we are not who they want us to be. Today, there is a resurrection of hand-made crafts that show our creativity. Blacksmithing is rapidly becoming an important trade skill that fulfills everyone s yearning to deviate from the mass market of countless numbers of plastic and metal trinkets used in today s home. We all have the innate desire to express who we are in our own home and property. How many of us moan as we enter a huge box store with many, many aisles of hardware products hermetically- sealed in shrink-wrap? We are lost and undoubtedly cannot find exactly what we are looking for in this artificial forest. No, you will not be making horseshoes! Instead, These blacksmithing projects are fun! You will work...
