Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Study Guide. Language: English . Brand New Book ***** Print on Demand *****. For thousands of years, God's people waited anxiously for His coming. What if we had that same anticipation today? Anticipating Immanuel is a 26-day Bible study for the advent season leading up to Christmas. For years our family has been using Advent in the month of December as a catalyst for daily discipleship leading to our celebration of the Birth of Christ. Anticipating -Immanuel is an intensely biblical, gospel centered -approach to the -advent consisting of 26 concise but power packed Faith Talks from the God-story. We are excited to incorporate this tool in our -personal toolbox for family discipleship. Brian Haynes Lead Pastor - Bay Area First Baptist Church Author of SHIFT and The Legacy Path: Discover Intentional Spiritual -Parenting The story of God is painted with bright colors in the pages of Tim Frankovich's Anticipating Immanuel. As you walk through this study during the Advent season, you will see that the story of Jesus doesn't begin in a manger. Instead, it starts at the very beginning when God promises to -rescue His people by intervening personally. This is a great resource for -individuals, families, and the church; and I am glad to recommend it to you. Jesse McMillan Lead Pastor - The Church at Cross Lake.
