The foundation of a building is the most important part, as the size, weight and height of a building will depend on the depth, width and materials of the foundation. Once a foundation is set, then a dwelling can be erected and inhabited. These Six Foundational Truths of Hebrews Chapter Six: repentance, faith, baptisms, laying on of hands, resurrection of the dead, and eternal judgment; are the primary and vital spiritual foundations that must be laid solidly in a believers life. The cause for every problem in the Christians life both for young and old believers goes right back to these foundational truths. This book contains a vital call to Go on to Perfection. Psalm 11:3 If the foundations be destroyed, what can the righteous do?.
