Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Essai sur les Consequences Eventuelles de la Decouverte des Gites Auriferes en Californie Et en Australie Comme l'or et l'argent se font concurrence et se remplacent alternativement dans les divers usages aux quels on les emploie, une grande agglomeration de l'un de ces metaux doit necessairement avoir un double effet; savoir, de changer le rapport de la valeur entre l'or et l'argent, et de modifier, en meme temps, en raison de l'accroissement de la masse totale des metaux precieux, leur valeur relative par rapport aux autres objets. Cela se trouve d'ailleurs constate par l'experience des temps passes; car la decouverte des riches mines de Potosi a amene, dans la seconde moitie du xue siecle, la baisse de l'argent relativement. A l'or, et, en meme temps, une hausse sensible de tous les prix. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
