

Music Notation: A South African Guide

By Christine Lucia

Unisa Press, South Africa, 2012. Paperback. Book Condition: New. 241 x 188 mm. Language: English . Brand New Book. Music notation: a South African guide presents a new and uniquely South African approach to learning about staff notation - especially for musicians who are educated in the tonic solfa system. As they work through the book, learners build up an understanding of each aspect of notation by experiencing it as music. Tonic solfa is used in the earlier chapters to help learners relate the sounds to the concepts. In addition, the free CD offers 99 music clips played on a keyboard, illustrating some of the examples of notation given in the book. The book is aimed at mature school pupils and adult learners whose first language may not be English. However, it will be useful to students of music from any sector of society, whether they are enrolled in a formal course or want to find out more on their own. Each chapter is devoted to particular aspects of notation. Most of the chapters are built around a piece of music generally familiar to South Africans. Because South Africa has a strong vocal and choral culture, examples are often drawn...
