Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Teaching the New Geography This manual has been prepared as a direct help to teachers of geography in elementary schools. The educational ideals that have guided the authors are outlined; the plan of the two-book series is presented; the regional treatment of geography for the last two years of study is explained; the project and problem methods of work are fully illustrated, several problems are worked out in detail, and numerous projects are suggested. The new and progressive system of maps in Book Two is described and the plan for picture studies is explained. The keys to the Problems and Review Questions and to the Map Studies, with accompanying teaching helps, will give to teachers direct aid in the preparation of every lesson in Book Two.
