This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).

Guidelines is a unique Bible reading resource that offers four months of in-depth study written by leading scholars. Instead of the usual dated daily readings, Guidelines provides weekly units, broken into at least six sections, plus an introduction giving context for the passage and a final section of points for thought and prayer. On any day you can read as many or as few sections as you wish, to fit in with work or home routine. As well as a copy of Guidelines, you will need a Bible. Each contributor also suggests books for further study.
