Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In his book, No Healing Medicines, author Rick Lee clearly outlines two systems of healing: the true, natural healing given by the Creator of mankind, and as presented in the Bible, and the false system deeply rooted in spiritualism at its inception and now promoted as the primary way to bring about healing in all modern societies. The reader might ask themselves, why is this book on health listed in the religion category. Mr. Lee clearly demonstrates the relationship between your spiritual relationship with God, your salvation and the health of the frontal lobe of your brain. The author expounds on how natural healing brings about the restoration of the whole man: physically, mentally, emotionally and spiritually and points out why conventional medicine does not, can not, and will not heal and further breaks down an already compromised body system. Mr. Lee presents to his readers an overview of the history of modern medicine and its roots in spiritualism; and the politics and players that have molded the medical education, medical profession and pharmaceutical establishment to the multi-trillion dollar industry it is today. The author exposes the controversy and cover up between Louis Pasteur and Antoine Bechamp. Traditional Western Medicine teaches and practices the doctrine of French chemist, Louis Pasteur, where we get the term pasteurization, as applied to milk. Pasteur s main theory is known as the Germ Theory of Disease. It claims that fixed species of microbes from an external source invade the body and are the first cause of infectious disease. Bechamp, on the other hand, maintained that airborne forms were not necessary for disease and that an out of balanced inner terrain (body chemistry) is the primary cause...
