BOLD STROKES BOOKS, 2017. Paperback. Condition: New. Language: English . Brand New Book. Princess Rozala of Denbourg enjoys her reputation as a wild child, especially when it annoys her father, the King. When Roza s latest girlfriend brings scandal to the palace doors, her father sends her to Britain, in the hopes that time with her cousin Queen George and the new Queen Consort will finally make her face her responsibilities. After overcoming personal demons and quitting the high-stakes world of finance, Lennox King is content to keep her life simple. As the new director of a hospice charity, she uses a strict business approach to help the charity grow and prosper. When Roza comes to work at the charity under orders from the Queen Consort, babysitting a spoiled princess is definitely not on Lennox s agenda. But when passion flares between them, will Lennox s past stop their relationship in its tracks, or will a twist of fate bring a new future that neither was expecting?.
