OMNIBUS PRESS, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Over 17 years and eight albums, heavy metal band Machine Head have sold millions of units, earned a Grammy nomination and won personal awards from Metal Hammer and other magazines. The story is a classic rise, fall and rise again scenario -- they exploded onto the metal scene in 1994, enjoyed a successful string of albums and then lost their way in the nu-metal era. Now they are in the middle of one of metal s most acclaimed comebacks. Joel McIver has interviewed all the band-members several times and has a unique insight into their rollercoaster story, which includes alcohol addiction, inter-band brawls and therapy, sackings, near-splits and two decades of the heaviest music known to man, delivered all over the world.
