Excerpt: .a cautious politician---that of never committing himself, of not saying too much or too little on doubtful points, of being able at any time to deliver a King s Speech oif-hand. Few had more power over the House of Commons, where his speeches told with great effect. But though of a quite different character from those of his father, they are likely to share the same fate as compositions--that is, never to be consulted a second time for any extraordinary originality of thought, exhibitions of genius, or the very highest attributes of eloquence. In the new Parliament, which met in May, 1784, the chief effort of the late Paymaster was in moving (June 14th) a representation to the King on the late dissolution; a paper, said Mr. Fox, some years afterwards, which would make the fame of some men, but which in the number...
