### ***Reviews***

*Basically no words to describe. We have read through and i also am sure that i am going to going to read once more once again later on.  
You may like just how the article writer compose this publication.

## GUIDA ALLA LINGUA LATINA.

DOWNLOAD

Edizioni Carocci, 2007. Book Condition: new. Roma, 2007; br., pp. 264, cm 15x22,5. (Università. 754). Il volume, rivolto principalmente a studenti universitari che affrontano per la prima volta lo studio del latino, nasce dall'esigenza di consentire in breve tempo la lettura in lingua originale di testi latini, classici oppure medioevali e umanistici, e deve l'impostazione metodologica e l'organizzazione della materia all'esperienza maturata dall'autrice in molti anni di insegnamento universitario del latino di base. La trattazione è comprensiva di fonetica, morfologia e sintassi; gli argomenti sono inoltre accompagnati da nozioni di grammatica storica e, nella seconda parte, da ampie sezioni dedicate al lessico. È stata concepita un'articolazione in quaranta unità di apprendimento, nelle quali il metodo adottato nella presentazione della materia è sostanzialmente quello della grammatica tradizionale, ma con la significativa innovazione di trattare in parallelo, all'interno delle singole unità, la morfologia del nome e quella del verbo, e di applicare lo stesso schema, di alternanza fra sintassi dei casi e sintassi del verbo e del periodo, anche alla trattazione sistematica della sintassi.
