

Guide to Publishing a Scientific Paper (Hardback)

By Ann M. Körner

Taylor Francis Ltd, United Kingdom, 2008. Hardback. Book Condition: New. New.. 216 x 142 mm. Language: English . Brand New Book. Guide to Publishing a Scientific Paper provides researchers in every field of the biological, physical and medical sciences with all the information necessary to prepare, submit for publication, and revise a scientific paper. The book includes details of every step in the process that is required for the publication of a scientific paper, for example, * use of correct style and language * choice of journal, use of the correct format, and adherence to journal guidelines * submission of the manuscript in the appropriate format and with the appropriate cover letter and other materials * the format for responses to reviewers comments and resubmission of a revised manuscript The advice provided conforms to the most up-to-date specifications and even the seasoned writer will learn how procedures have changed in recent years, in particular with regard to the electronic submission of manuscripts. Every scientist who is preparing to write a paper should read this book before embarking on the preparation of a manuscript. This useful book also includes samples of letters to the Editor and responses to the Editor s...
