Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book ***** Print on Demand *****. La vida es sueno es una obra de Pedro Calderon de la Barca estrenada en 1635 y perteneciente al movimiento literario del barroco. El tema central es la libertad del ser humano para configurar su vida, sin dejarse llevar por un supuesto destino. La vida es sueno es una de las obras de Calderon de la Barca mas conocida y estudiada. Dicho interes reside en su complejidad filosofica, pero tambien en el notable armado dramatico. Sin embargo, desde que Marcelino Menendez y Pelayo (1910) clasificara a la obra como drama filosofico, la critica ha hecho hincapie en los problemas existenciales de la obra, desatendiendo a veces sus caracteristicas especificamente formales, dramaticas.
