World War I, also known in its time as the Great War or the War to End all Wars, was an unprecedented holocaust in terms of its sheer scale. Fought by men who hailed from all corners of the globe, it saw millions of soldiers do battle in brutal assaults of attrition, which dragged on for months with little to no respite. Tens of millions of artillery shells and untold hundreds of millions of rifle and machine gun bullets were fired in a conflict that demonstrated mans capacity to kill each other on an unprecedented scale. The enduring image of World War I is of men stuck in muddy trenches and of vast armies deadlocked in a fight neither could win. There were heroes though. Men who fought against odds so great, that few would survive. These are the stories of just a few. Read about the Devil Dog who brought home not one, but two Medals of Honor and was even nominated for a third for his service. Find out more about the German general who came home a hero, and dared to challenge Hitler. He was one of the few that survived doing so. Learn about the Jungle Fox and his daring charges. War is hell. Many men dont survive that those that do are left with a lasting impression of the horrors witnessed. These stories honor those that fought for their countries and the other men who stood beside him. Pick up a copy of your own today. Comments From Other Readers Ill be honest, I didnt pay much attention in my history class when it came to wars. They were over so why should I care...
