Reviews

A whole new eBook with a brand new perspective. it was actually writtern quite completely and useful. I found out this ebook from my dad and i recommended this ebook to discover.

(Dr. Wyatt Morissette)

COLOR ZOO

HarperCollins Publishers Inc, United States, 1997. Board book. Condition: New. Board Book. Language: English . Brand New Book. This acclaimed Caldecott Honor Book is a visually exciting introduction to colors, shapes, and animals for preschoolers. Boldly designed pages easily carry to the rear of the room during story hours, and brilliant juxtapositions of vibrant primary colors will make children s eyes tingle. (School Library Journal) A masterpiece of graphic design. (American Library Association Caldecott Committee) Color Zoo is about concepts--shapes, colors, and animals--but also about looking at the world in a new and creative way. (Children s Books and Their Creators) Employs ingeniously designed, perfectly die-cut and bound pages which line up exactly to unfold nine distinctly recognizable abstractly formed animal heads. Immensely enjoyable. (CCBC Choices) Shapes and colors in your zoo, lots of things that you can do. Heads and ears, beaks and snouts, that s what animals are all about. I know animals and you do too; make some new ones for your zoo.
