Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

And then there's Dean. You'll just have to read the book, cause I can't do him justice in a few short sentences. -Jasinda Wilder, New York Times and USA Today best-selling author of Falling into You Captivating. Witty, funny and thoughtful. One of the most emotional and deeply heartfelt books I've ever read. Not to mention, the songs were awesome and are now currently gracing my mp3 player. S.R.
