Your Resonant Self: Guided Meditations and Exercises to Engage Your Brain s Capacity for Healing (Hardback)

By Sarah Peyton

WW Norton Co, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. Have you ever noticed how cruel and self-sabotaging your critical inner voice can be? Have you been looking outside of yourself for friends and loved ones to reassure you of your worthiness and lovability? The latest developments in neuroscience unveil the amazing extent to which humans are wired for connection, belonging and resonance with other humans. This wiring for connection is so strong, our nervous systems have the capacity to become our own compassionate self-witnesses, even when we have not had access as children to stable loving presence and warmth. The field of neurobiology and the science of mindfulness reveal that the human brain is capable of being engaged in the experience of upset (fear, anxiety, depression) while simultaneously observing and holding ourselves with kindness, as a loving parent or partner would. This ability to be both experiencing and holding the experience is the key to maintaining inner calm in the face of life s challenges. If we learn to honour that each and every inner voice, no matter how distressing, has the desire to help us, we open to the possibility that each part...
