Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This report, the Agenda for Social Justice: Solutions 2012, is designed to broadly inform our readers about some of the nation's most pressing social problems and to propose policy responses to those problems. Our audience includes social science scholars, teachers, and students; social activists; journalists, policymakers; elected officials; and of course the public-at-large. In short, this book is our attempt to inform and contribute to the ongoing public discourse about the nature and amelioration of some of our society's social problems. The Agenda for Social Justice: Solutions 2012 contains eleven chapters, each contributed by outstanding scholars in their respective areas, and each chapter addresses a specific social problem facing the U.S. today. The authors are professional researchers, activists, and/or policy professionals, and the goal of the text is to present cutting-edge academic knowledge in jargon-free language, both in defining a social problem and in suggesting policy responses that would work. Each piece can certainly stand on its own, and will certainly be informative in itself, and each chapter follows a definite format, and that the content is divided into three major sections: the first defining the social problem, the second providing evidence available to outline the state of affairs, and third offering concrete suggestions for the types of policies that would be effective in ameliorating these problems. The chapters in this book cover a wide range of concrete issues facing our society today, including issues of immigration, health, inequality, appropriation of public funds, income security, racial diversity, and social welfare. These are certainly among the pressing issues and discussions that one encounters in the news media and other areas of social discourse. The book is designed...
