Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from M culloch s Universal Gazetteer, Vol. 1 of 2: A Dictionary, Geographical, Statistical, and Historical, of the Various Countries, Places, and Principal Natural Objects in the World In the English edition, the sources are generally given whence the information contained in the several articles is derived, and the same is done with respect to the articles which relate to the United States. This will be done in the American edition, exceptin in the articles on the United States, as these references will be valuable to t 080 who are dis caed to pursue their inquiries beyond the bounds of a gazetteer; but, as we 0 e to present a more com plete and correct account of this country than can be derived from the authori ties quoted by the author, many of which are very valuable, but some of which have ceased to be at present correct, we shall omit a mention of the sources of our information, which would exceedingly encumber the work. In the con struction of this part of the work, fifty volumes, and as many state...
