Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.YOU WILL PASS THE OSHA 511 WITH THIS STUDY GUIDE.This study guide is from the notes of participants in the OSHA 511 General Industry course. What we have done is clean up our notes and put them in order so that you can be prepared for the final exam. For the most part if you understand the concept of the items listed you will have a chance to make a 90 or better on the exam. Obviously studying and class participation is key. But if you are like me you want to know what you are walking into ahead of time. So what you will find is a list of statements, terms, and explanations to follow. Some of the notes YOU WILL SEE ON THE EXAM; easily 80 . Research these terms and learn the context of what they are asking for with the OSHA standards book, or if you are computer savvy, Google. These notes are all I used for the exam and passed quickly with an impressive score.
