A BUCKET OF WATER: REFLECTIONS ON SUSTAINABLE RURAL DEVELOPMENT (PAPERBACK)

Practical Action Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. The Sustainable Development Goals, which were adopted by 193 countries in 2015, set clear targets for ending hunger and undernutrition, as well as tackling poverty, inequality and the impact of climate change, by the year 2030. The vision they represent is an inclusive one, in which no one is left behind. It is also a collective one, in which the environment must be protected for...

Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.
