The Tether: Poems (Paperback)

By Carl Phillips

Farrar, Strauss Giroux-3pl, 2002. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****. Graceful and resonant new work by a lyric poet at the height of his skill. As I understand it, I could call him. Though it would help, it is not required that I give him a name first. Also, nothing says he stops, then, or must turn. --from The Figure, the Boundary, the Light In the art of falconry, during training the tether between the gloved fist and the raptor s anklets is gradually lengthened and eventually unnecessary. In these new lyric poems, Carl Phillips considers the substance of connection -- between lover and beloved, mind and body, talon and perch -- and ts the cable of mutual trust between soaring figure and shadowed ground. Contemporary literature can perhaps claim no poetry more clearly allegorical than that of Carl Phillips, whose four collections have turned frequently to nature, myth, and history for illustration; still, readers know the primary attributes of his work to be its physicality, grace, and disarming honesty about desire and faith. In The Tether, his fifth book, Phillips s characteristically cascading poetic line is leaner and more dramatic...
