

Saturn, Chiron and the Centaurs (Paperback)

By Melanie Reinhart

Starwalker Press, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book consists of transcriptions of two seminars on astrology previously published by CPA Press (1996/2002), receiving excellent reviews. The work retains the lively pace of the spoken word, and includes material both familiar and entirely new. Part One: Saturn - Time, Heritage and Substance An in-depth consideration of the meaning, mythology and astrological process of the planet Saturn, with an emphasis on its connection with Neptune, by sign or aspect. The new student will find a thorough examination of Saturn's themes, while those already familiar with the basics will find new inspiration. Part Two: The Centaurs - Chiron, Pholus and Nessus This ground-breaking material consists of entirely original work which will intrigue both beginners to astrology and seasoned professionals. It deals with the recently discovered Kuiper Belt objects, their meaning and significance in the individual horoscope, and the collective. Reinhart has become an acknowledged authority on this subject, and her work on Chiron and the Centaurs has been translated into six languages. This book is the most comprehensive exploration of Pholus and Nessus yet written.
