HCI Teens. Paperback. Book Condition: New. Paperback. 168 pages. Dimensions: 6.9in. x 5.0in. x 0.5in. In six words, an instant message changed Alexis forever. After a rocky junior year of high school, Alexis Singer was lonely, stressed out, and vulnerable--the ideal target for an older man with bad intentions. When a message popped up on her computer screen one night from a message board acquaintance, she could never have known that by responding she was making a choice that would change her forever. By posing as a friend and confidant, the man gave Alexis the attention she desperately craved and weaseled his way into her life in an unimaginable way. Within weeks, Alexis was sucked into an emotionally dependent relationship, engaging in cybersex and sending him explicit photos of herself. Somewhere along the way, she lost who she was and put her dreams for the future, relationships with friends and family, and psychological well-being on the line. Not much about that first online conversation we had sticks out in my head except for his surprising interest in me. I probably would have forgotten about it if it weren't for that. I would have dismissed him as just another creep.
