ERIKA: A THRILLING MYSTERY OF ADVENTURE AND INTRIGUE (PAPERBACK)**DOWNLOAD**

Donald K Kirk, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A science-fiction detective mystery. Four world-renowned scientists, once working together, separated now, doing their own research and experimentation because of a disagreement: the ultimate utility of their startling creation. Germany is turned upside down by a freelance photographer who stumbles onto a sinister plot that could change the world. Can he stop it? Trains, car chases, and a beautiful and mysterious woman will change his life forever. Reviewers have said it's a campy cross between a Raymond Chandler detective mystery and the sci-fi of Karl Capek's R.U.R. and a dark tale which gleefully employs beautiful women, dungeons, mad scientists, and a terribly mixed up detective. Erika is a detective story that marches to its own drummer, marching through many deft descriptions of contemporary Europe and ending in a surprising and dark climax. You won't be able to put this book down.
