Angry Robot, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. When Ted Hall finds strange, personalised messages from a restaurant s fortune cookies scattered around his apartment, his suspicions are aroused, particularly as his somnambulant travels appear to coincide with murders by the notorious Hang Wire Killer. Meanwhile, the circus has come to town, but the Celtic dancers are taking their pagan act a little too seriously and the manager of the Olde Worlde Funfair has started talking to his vintage machines, although the new acrobat s frequent absences are causing tension among the performers. Out in the city there are other new arrivals, immortals searching for an ancient power which has been unleashed - a primal evil which, if not stopped, will destroy the entire world.
