

Never Pay for \$Tuff Again (Paperback)

By Steven Mann

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book presents a way of thinking about the future in regards to future expenses. While it is key to have retirement funds to live off while not working anymore, it is also key to reduce expenses so your money lasts longer. After seeing investments dwindle in the stock market, I began thinking of other ways to invest in my future. The premise being if you never had to pay for something anymore, your future expenses could be reduced.

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
