Capturing Morning Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. THE SILENCE OF MORNING, a compelling memoir about life and loss, culture and society, shares how the author, in the face of tragedy, chooses to confront the mysteries of existence in search of deeper understanding. Every ending is a beginning, but finding an illuminating thread when grief is at the wheel is a daunting challenge, one that causes the author to question everything, even as she dreads the stream of difficult days ahead. Like a prairie windmill silenced by time, life felt heavy and still. By articulating challenges faced by every family, every individual, the author manages to shine a bright and compassionate light on the vagaries of the human condition. Each life is a reflection of the many mysteries we are all born into. Mysteries lodged in silence. And ambiguity. Yet this book manages to penetrate that silence, as the author initially survives its fierce echo in the face of her son's sudden death, and then realizes she must, one day, embrace it. Hickman notes, however, that she wasn't remotely prepared for the curious demands of loss. But then, who is, she wonders: Would a saint be prepared, someone braver than I, perhaps, or someone who simply moved on with a heavy shrug of the shoulders, a fierce sigh, a wistful expression? So how does the author navigate an agonizing maze of sorrow so that her tentative steps feel true to the moment? Why does she insist on the long view, instead of succumbing to generic cultural standards of moving on or getting over it? In deciding that her son's suicide at 27 is a mystifying, but forceful, catalyst for spiritual growth, Hickman also accepts an unspoken challenge...
