AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.My lyrical story books were created to inspire grown women to remember a time in our early lives when pretty pictures told pretty stories and all dreams were said to come true. After reflecting briefly on those fairy tales, you can now read about the real life stories in the same rhythmic tone, and appreciate why we were never told the truth. After all, what would a girl have to look forward to? These stories of reality are written as short stories, displaying various font styles, giving each woman s circumstance it s own voice. It s an easy read that makes quick poignant points for the busy working woman and allows us to laugh at ourselves and our girlfriends. The stories are written in a way that helps us to be more patient with those sisters that just don t get it yet. It even offers overall wellness suggestions. So grown girls; not little girls, I personally invite you to get a cup of warm tea, that chocolate delight, a glass of wine or sparkling water, whatever your indulgence, and prepare to laugh aloud, cry, ponder, feel encouraged, breathe and feel pride that GOD created you female. A woman with beauty and strength to overcome short falls, along with the ability to endure it all in the name of LOVE - LOVE FOR SELF finally!.
