By J S Sweet

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Sweet s Modern Business Arithmetic: A Treatise on Modern and Practical Methods of Arithmetical Calculations for the Use of Business and Commercial Colleges, Business Universities, Commercial High School, Technical Schools and Commercial Departments in Other Educational Institutions After thirty years experience as a teacher of mathematics, the author feels that he is able to present the subject of commercial arithmetic to students and instructors in a manner which is not only severely practical and up to date, but attractive and intensely interesting. No claims are made in regard to the discovery of new facts in the science of arithmetic. While the manner of presenting the topics to the class, the method of illustration, exemplification, and practice have been used by the author for many years, no published work has ever been issued handling the science in this extremely practical manner. Particular attention is called to the different parts into which the work is divided. Class Work, Homework, Test, and Final Examinations, each has its place in the development of every topic. The topics are made largely...
