Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In penning the following pages I have endeavored to be truthful. In looking back upon the scenes through which I passed, I have sought to penetrate the veil of glamour Time trails behind him as he flies, and to see things exactly as they were-to see the rough road as well as the smiling landscape, the briers and brambles as well as the green grass and the waving trees. Now, however, that my task is done, and duty no longer demands that memory should use a telescope, the mellowing haze of distance resumes its sway, and the Stage again appears the fair, enchanted ground that I once dreamt it. I forget the shadows, and remember but the brightness. The hardships that I suffered seem now but picturesque incidents; the worry only pleasurable excitement.
