Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. 100 chance of failure, with hope in the forecastA shock and awe metafiction thriller from the best selling author critics hail as one of our strongest thriller writers on the scene. The year is 2020, and the world is on the brink of economic collapse. Can a group of whiz kids led by an absent-minded professor and a 24 year old girl save us? The crash of the stock market has created a rippling effect of disastrous proportions. Banks have failed, and people are rioting in the streets of the cities, which are on fire. Rolling blackouts have given way to entire system failures. University of Chicago Economics Professor Harry Mason, advisor to U.S. presidents and the Treasury Department, has gathered his dream team of whiz kids, the brightest and the best graduate students in Economics, for a special laboratory class. Their mission: to save the world. But is it too late? Fiction author Kenneth Eade and non-fiction author Gordon L. Eade team up to give you a meta-fiction thriller designed to show how to survive the next crash. Discover what critics are saying: An homage to a father and another first class novel from Kenneth Eade! Grady Harp, Top 100, Hall of Fame and Vine Voice Discover what readers already know: I believe if I had read this book 30 years ago, I would have a lot more money in the bank today. Do not be fooled by the fact it is described as fiction. The fiction is simply used to bring forth facts. I will be using some of the facts that I learned to improve my investment returns. L. Klopping Should be read by everyone, learned so much....
