Reviews

These types of ebook is the best book available. It really is written in easy terms instead of hard to understand. You will like just how the article writer created this book.

(Krista Nitzsche Jr.)

IMPERIALISM AND SOCIAL CLASSES (PAPERBACK)

Martino Fine Books, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.2014 Reprint of 1951 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Joseph Schumpeter was not a member of the Austrian School, but he was an enormously creative classical liberal, and this 1919 book shows him at his best. He presents a theory of how states become empires and applies his insight to explaining many historical episodes. His account of the foreign policy of Imperial Rome reads like a critique of the US today. The second essay examines class mobility and political dynamics within a capitalistic society. Overall, a very important contribution to the literature of political economy.
